

OBSERVERSHIPS IN BRIGHAM RADIOLOGY

Brigham Radiology offers a Radiology Observership program through the Brigham Radiology Continuing Medical Education (CME) office. Anyone interested in spending time in the Brigham Radiology department as an observer must apply through this office and may request to spend time in one or more of the departmental sections, provided space is available.

Departmental sections include:

- ❖ Abdominal Imaging and Intervention
- ❖ AMIGO (Advanced Multimodality Image Guided Operating Suite)
- ❖ Angiography and Interventional Radiology
- ❖ Breast Imaging
- ❖ Cardiovascular Imaging
- ❖ Emergency Radiology
- ❖ Musculoskeletal Imaging and Intervention
- ❖ Neuroradiology
- ❖ Nuclear Medicine Including PET Scan
- ❖ Percutaneous Tumor Ablation
- ❖ Thoracic Imaging
- ❖ Ultrasound

The duration of most observerships is one to two weeks; however, longer observerships, up to a maximum of three months, can be arranged upon special request. The department also has opportunities for visitors to observe radiology research within Brigham radiology research facilities and laboratories.

Accreditation – “per week”

Partners HealthCare System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Partners HealthCare System designates this live activity for a maximum of 38.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Anyone wishing to spend time in the Brigham Radiology, whether that person is a physician in training (resident or fellow), radiologist, physician in another medical specialty, or radiology research scientist, should apply via email to bwhradcme@partners.org or contact Danielle Klette at 617-525-7330.
